

## **Plot & Site Competition – 2018**

This year's competition took place on 14<sup>th</sup> July, with 20 sites and 14 plots entering. The scores were moderated during the following week and the external judging of the first three large sites and first three plots took place on Saturday 21<sup>st</sup> July.

The number of plots entered was a little down on last year, but this was expected considering the weather conditions this spring and summer. And so it was a relief to have the number we did! We had a strong team of 12 judges with a few taking on the role for the first time. Grateful thanks go to all the judges for their time and support for the event. Thanks also go to all the societies and plot holders who put themselves forward this year and congratulations go to the winners listed below.

The winners of the Large Site Competition are:

First	Gordon Road
Second	Hendon Grove
Third	Cat Hill

The winners of the Small Site Competition are:

First	Fursby Avenue
Second	Nethercourt Avenue
Third	Brent Way

The winners of the Plot Competition are:

First	Silas Kendall, Hospital Fields (Golders Green)
Second	Gerrard Chong and Elfed Griffiths, Hendon Grove
Third	Abdullah Rustame, Vale Farm Western

Considering the challenging weather conditions, the standard of plot entries was high and the societies who entered their sites had made great efforts to present them well, and once again the marking was really close.

Details of the winner of the Ted Green Memorial Cup will be announced once the judging has taken place. The winner, along with all the other prize winners, will receive their awards at the presentation evening to be held at Rathbone Allotments on Monday 15 October. Further details will be sent out nearer the time.
